English

## About Me

"I am a self-taught front-end developer with over a year of experience in building responsive websites and web applications. I am passionate about creating user-friendly and visually appealing interfaces, and have honed my skills through personal projects. I am eager to bring my skills and enthusiasm to a junior front-end developer role, where I can continue to learn and grow as a developer while making a positive impact on the company and its clients."

## Interpersonal skills

- Ambitious
- Active-learner
- Good at multi-tasking
- Creative
- Problem solving
- Responsible

## Quote

Happiness comes from solving problems.

"Happiness requires problems because it's the progress on our problems that makes us happy." - Mark Manson
