About Me

 I am a person who likes to pass challanges. I use a creative approach to solve problems. I'm equipped with an Iron will and a Brutal Consistence wich makes me an interesting Team Player. It's been some time since I started this journey of coding. During this time I've developed some projects to put my skills into practice and I keep investing my time everyday in sharpening my skills. My projects are in my portfolio wich is: www.valimurtezi.netlify.app
